

BUGS - LOCATION WORKSHEET

COMPLETE THE FOLLOWING:

1. Where did you find your bug?

2. Can you find the same kind of bugs in other locations?

3. Is your bug found throughout the rotten log? Is it more prevalent in some areas? If so, where?

4. Look at both "new" and "old" rotten logs. Are the same types of bugs found in both?

5. Where can you find evidence of bugs in the log? What kind of evidence?
