

Name: _____

Blackline master # 5

Graphing Fire Starts

Example of a 60/40 pie chart. Students may create their own or do one together on the whiteboard in class.

How many lightning strikes should be in the light blue and how many human-caused starts should be in the dark blue, based on the fire start role-play cards?

60% Lightning & 40% Human-Caused (Industry, recreation, etc.)
